

Natalyre Empire State Registration Contract

Emperor Natalius I and Angie Gracia Wibowo agree in a deal where:

- The property on 'Legenda Park Blok C9 No. 5 Padurenan, Mustika Jaya, Bekasi' becomes a Natalyre Empire state.
- All Natalyre Empire laws apply in that state.
- Angie Gracia Wibowo is the founder of that state.
- All citizens of the state are automatically undocumented Natalyre citizens.

All state-level elections will be the responsibility of the state and not Natalyre. Natalyre will provide support for the new state and work together with the state to establish its local government.

Signed,

Emperor Natalius I
