

The Natalyre Empire & The Kingdom of Blazdonia Mutual Recognition Agreement

The Natalyre Empire and The Kingdom of Blazdonia mutually recognize each other as sovereign nations. This agreement does not mean any allyship between the two bodies, instead it is to forge a respective relationship between the two nations. This agreement relies on the respect of these two bodies, and so if one of them breaks the agreement, the agreement is automatically considered invalid.

Signed,

Emperor Natalius I
